March, 2020

The semester started with Pastor leading a group to the Holy Land including Katy Williams, a Sophomore from Huntsville, and her dad. Picture below.

All classes for the rest of the semester are on-line. Dorm students must move out. Even if ULC has no worship together, Pastoral care will be given to those students remaining in apartments.

Please pray for our ULC family as they finish the semester:

Our International Student Ministry is affected by “social distancing” too. We aren’t able to have regular classes, but are looking into ways for online and smaller group gatherings.

We’ve already been videoing a Bible class and the idiom/slang class Richard leads. They are accessible via a private YouTube account for students here, and former students back in their country. A Korean student, Justin Park, (at left, with our volunteer Nancy Giese, and Marcia) creates these wonderful videos!

This is a very challenging time for us. But we’re attacking the situation and working to make the best of it. This can be a great time for God to do great things.

We move forward in faith and not fear. Prayer, not panic. Service, not selfishness.

Thanks so much for *your* partnership in this ministry!
Your servants for the Gospel at UT,
Pastor Richard & Marcia Mittwede
