June, 2022

Another academic year is done! And it was successful for seniors Trevor Gruetzner, (below, left) Carlton Peterson (below, right) and Cassandra Birnbaum (right, performing her Oboe Senior Recital). Trevor will be

working as a CPA for a firm in Dallas. Carlton heads to SMU for Master's Degree work. And Cassie will prep for Medical School. Congrats!!

ULC continues to be a sanctuary for students as a place of faith growth in worship and Bible study, and for studying and fellowship.

Here we are (above, right) enjoying a walk along Ladybird Lake in downtown Austin. And (above, left) our annual Easter egg hunt!

This summer finds our students in some really exciting internships, traveling, and getting some classes knocked out. God is very much alive at the University of Texas and in our little congregation!

If you know of any future 'Horns coming to Austin, please let us know so we can get in touch with them and give them the opportunity to grow in their faith with us while they are students at UT.

Our International Student Ministry experienced a great semester too. We served over 70 students in English classes and Bible studies in a hybrid of in-person and online opportunities. Students came from China, Japan, S. Korea, Mexico, Russia, Iran, Chile, Peru, Hungary, India, Taiwan, Guatemala, Turkey, Singapore and Belarus.

And we had some fun and fellowship! We had an Easter egg hunt before one of our classes, - a first-time experience for some! (Picture above)

Thanks to a grant from ISM, Inc., the LCMS national International Student Ministry organization, we were also able to provide a fun night out at a Chinese restaurant for some of our students this semester. Pastor Richard spoke about the Reason for the hope within us and students were able to bring along some family members so we could meet them as well.

We so appreciate your prayers, encouragement, and financial support which help make possible all of this ministry for the sake of Jesus' Kingdom. *Thank you!!*
