Halfway through the semester now! Students are back from Spring Break and ready to finish out this academic year! ULC continues to be a vital place for them as a place for worship, but also fellowship and for studying.

ULC strives to be a place where students can come in out of the world as God's people to receive His grace and forgiveness in Christ in Word and Sacrament.

It's that and more. It's a sanctuary for our kids!

We so appreciate the LWML groups and other individuals who provide our Sunday night suppers! Often we have leftovers which the students enjoy during the week or after our Wednesday night worship times. A special thanks to Laurie Bellard, who is in charge of coordinating these meals during this school year.

On the international student side of our ministry, English and Bible classes continue to be a blessing as we meet in a hybrid of in-person and Zoom formats. People from around the world, many who are new to reading the Bible, continue to participate in the four Bible classes we offer each week.

Of great joy this  
semester was  
the baptism of  
Anita  
Yesipovich,  
daughter of  
Kseniya and  
Artiom from  
Belarus. What a  
great day!

Thanks to Zoom, we were able to  
have the baptism shown live to family  
and friends in Belarus so they could  
also rejoice with us in the baptism  
ceremony.

We so appreciate your prayers,  
encouragement, and financial support  
which help make all of this possible. For
