December, 2023

Another semester has ended successfully for our ULC students. Time for a much-needed break! We are so proud of our students and the hard work they put in, and are still faithful to worship and fellowship together.

We've got an early graduate of the class of '24! Grant Kieschnick, an Economics major from McKinney, TX, completed his Bachelor's Degree this semester.

And we're sad to lose Emily Otto, a Speech Therapy Master's student from Magnolia, TX. She'll be starting an internship in Houston in January. We'll miss her too!

Here's a picture of most of the ULCers after worship.

And a common sight is a group playing spike ball in the ULC lobby!

Increased numbers of students, great times of worship and fellowship and the Longhorn football team in the playoffs! What a great semester!

Our international student ministry has adjusted well to our new meeting space at St. Paul Lutheran Church. Most of our English and Bible classes are a hybrid of in-person and zoom. This has enabled us to stay in touch with students after they return to their home countries or move to another state. We are so grateful for our team of volunteer teachers who give quality time and input to their students.

Here are a couple of pictures from an end of semester potluck lunch.

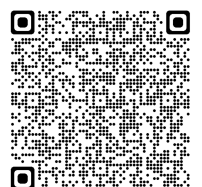

We really strive to be a ministry that isn't just English. We're more than that! We're a family of people who like to improve language, but also gain new friends, support each other and learn of the God

who sent His Son to earth that any who believe in Him might have eternal life. Thanks so much for your prayers and financial support which help make all of this ministry possible.
