Spring break is past and so is most of this semester! It's been a good one. ULC students are so faithful in receiving God's gifts of Word and Sacrament. And we have fun! Our Sunday night dinners always have lively discussion, and students are becoming good friends!

In fact, two of our ULCers recently announced their engagement. Congratulations Aiden Berdahl & Sarah Reynolds!

We enjoyed a Super Bowl watch party and potluck, and a few of us went on a mini-golf outing.

On the international ministry side, new volunteers Laura and Zach led a class on job searching in the USA. Zach works in this field at the University of Texas. A well-attended and helpful class!

Over Spring break, Marcia and Richard traveled to Japan to visit students who have moved back there, many of whom, though not Christian, now attend a Bible

study with us via Zoom. Some of these Marcia has known for 30 years, from ministry days at Michigan State University. It was a wonderful visit with these folks and family members.

One encouraging example: We had noted one student who has seemed more joyful in our recent online Bible classes.

We did not say anything about this, but her husband

commented to us that his wife *has been more joyful since she began attending the Bible class*. We know the Holy Spirit is using God's Word to draw her to Jesus! Thanks to God!

Thank you so much for your prayers & financial gifts which help make all of this ministry possible. As you pray, please continue to remember these precious friends in Japan, where statistically 1% (some say less than 1%) know Jesus.
