June, 2025

Another academic year has come and gone! ULC happily/sadly graduated three students this year. Yuyang Wu, a Computer Engineering major from China. He's moving on to Carnegie Mellon University for a Master's degree.

Scott Crowe, a double-major in Electrical Engineering and Mandarin, taking employment now with ERCOT in Austin.

Meshack Nyiti, from Tanzania earned his Master's in Petroleum Engineering, and has returned to his home country.

Congratulations and God's blessings to you!!

As you may know, Pastor Richard is retiring from serving ULC as pastor on Sept. 1st. This was a tough, but needed decision. He and Marcia will greatly miss the students and our little congregation.

A wonderful party was held in May to celebrate this. Big crowd in worship with many ULC friends and former students.

Richard and Marcia will continue serving the international community, working out of St. Paul Lutheran Church, offering English conversation and Bible classes.

We have each student make a name card. Here are many of those cards with names of students we serve.

And here's an end-of-the-year potluck party photo with lots of international food!

Sometimes we are asked how many internationals are involved in our program. While it's a little tough to determine this, since students come and go throughout the year, we did gather some

statistics that we hope you will find encouraging. There were:

- 32 people from 12 countries who attended a Bible class during 2nd semester
- 67 people from 24 countries who attended an English class during 2nd semester
- 85 total people who attended classes during academic 2024-2025 year
- 33 total countries represented in our program during academic 2024-2025 year

What countries are represented in these statistics? Japan (18 people); China (15 people); Ukraine (8); S. Korea (7); Iran (5); Mexico (5); Russia (4); Brazil (3); Turkey (2); Poland (2); Guatemala (2); Latvia (2); Hong Kong, Taiwan, Estonia, Algeria, Ecuador, Venezuela, Azerbaijan, Morocco, Singapore, India, Italy, Sri Lanka, Pakistan, Serbia, Georgia, Somalia, Kazakhstan, Iraq, Peru, Lebanon, Cuba (at least one from each)
