## Class Descriptions\*

**In-person classes meet at St. Paul Lutheran Church & School, 3501 Red River, Austin, TX, 78705.**

**Turn on Luther Lane.**

**To register and to receive the Zoom Link for online classes, please email Mrs. Marcia Mittwede: [Marcia@ulcaustin.com](mailto:Marcia@ulcaustin.com)**

**English Conversation:** Students practice speaking English in a casual setting in a group of 3 – 6 people. Worksheets are provided on topics related to life today.

### **ESL Bible Class (offered at various times)**

This ancient book has inspired much language in American culture. English Bibles are provided free-of-charge for participants. No Bible knowledge necessary.

**Idioms and Slang** The American language uses many idioms and much slang. This class will help define idioms and slang expressions that are common in every-day life in America today.

**Pronunciation** Students receive instruction and practice in pronouncing words that are difficult for them. This class is not currently being offered.

**Water Color Painting:** Students meet together to paint on their own and practice water color painting. This class does not instruct you in how to use water color paints, but there is an experienced Art Teacher who will give you tips on how to make your painting better.

**English Conversation Partners:** A limited number of American volunteers are available to meet one-on-one with international friends to practice speaking English. For information, please contact Mrs. Marcia [marcia@ulcaustin.com](mailto:marcia@ulcaustin.com)

\*To get the most out of classes, students should be able to ask and answer basic questions in English and follow instructions in English. While every level of English-speaking person is welcome to try the classes, a person whose English is not at least at a beginning level, will find it difficult to benefit from the classes.
